GUARANTEE

NZCDS guarantees its products to be free of defects in materials and manufacture. If product does not meet our standard, we will, at our option, replace it or supply an equivalent product.

NZCDS recommends that only those products, components and systems recommended by it be used. If this is not done, NZCDS will need to be satisfied that any defect in its product is attributable to our failure to meet our standard (and not another cause) before this guarantee applies.

This guarantee excludes all other guarantees and liability for damage or loss in connection with defects in NZCDS's product, other than those imposed by legislation.
